

The Best of the Best of PhUSE Conference Papers

In addition to the 2008 annual conference in Manchester UK, which will retain the successful format of previous years, we are delighted to announce that additional PhUSE sponsored Single Day Events have been added to the calendar as a result of the evolution of "PhUSE – The membership Society". Please see below details of the London, UK event.

This event will feature papers and/or presenters that have won a best in-stream paper award at one of the previous three PhUSE conferences
